Subject: verification of documents

Dear Ms. Gyorke,

I am writing on behalf of Josef Silny & Associates, International Education Consultants. We are Foreign Credential Evaluation company in the USA . One of your former students is currently applying to the University of Georgia in the USA . She submitted the transcript for the evaluation issued by the Faculty of Social Sciences of Eotvos Lorand University. However, the transcript does not list the names of the courses and ECTS credits. We would like to verify the authenticity of this document and if this student did attend your university, we would like to obtain the transcript with the names of subjects and ECTS credits. Please see attached the transcript.

I would like to thank you in advance for your help in resolving this matter.

Sincerely,

Polina Lippman
